

Oversands School

Monday to Friday

Oversands School is an independent, specialist residential and day school in rural Cumbria, providing high quality education for boys and girls aged between 8 and 19. The school meets the needs of a diverse group of pupils with a range of behaviour, emotional and social special needs. The schools 24 hour curriculum develops resilience in young people through teaching the skills of emotional literacy and developing confidence and trust within a carefully structured environment.

Other details

Referral required?	Yes
Referral and availability notes	Oversands School operates a referral policy, usually initiated by the local authority. But parents and carers are welcome to look round the school by contacting simone.mattison@witherslackgroup.co.uk to arrange a visit

Notes	Our education and care staff work in partnership with parents and other primary carers to give our students access to a broad and balanced curriculum including nationally accredited academic and vocational courses. For post-16 education, we have strong links with local colleges, where many of our pupils undertake external study. Teaching in school takes place in small classes with a maximum of 8 pupils and a high employee to pupil ratio, but personal growth and development is promoted around the clock.
--------------	---

Pupils also have access to Speech & Language therapy, integrated into classroom provision wherever possible, Educational Psychologist and CAMHS support and our Behavioural, Emotional and Social Therapeutic (BEST) curriculum. We promote healthy lifestyles and run an independent life skills programme.

Oversands offers on-site residential provision for

up to 38 weeks of the year. Thanks to our partnerships with several nearby Witherslack Group Childrens Homes: Cumbria View, Lakeland House, Orchard House and Woodlands, we are able to increase our existing boarding availability to include 52 week provision, offering excellent levels of staff communication and consistency for all aspects of a child's wellbeing.
