## Tree Tops Children's Occupational Therapy

We are an established service with an outstanding reputation with Sensory Integration expertise. The Tree Tops team are passionate about making a difference to children's/young adult's lives by working in partnership with families, schools and health professionals.

Tree Tops Children's Occupational Therapy team have been assessing and treating children both within our well resourced clinic and school settings since 2002.

Children/young adults who access our service range between 0-18+ years of age (along with adults) and can present with a variety of difficulties and/or conditions:

- Independent Life Skills (dressing, feeding)
- Development Co-ordination Disorder (Dyspraxia)
- Visual Perception Difficulties
- Fine Motor Difficulties
- Autistic Spectrum Disorder
- Asperger's Syndrome
- Attention Deficit Hyperactivity Disorder (ADHD)
- Sensory Processing Disorder
- Down's Syndrome
- Cerebral Palsy
- Attachment Disorder
- Feeding Difficulties
- Sleep Difficulties
- Baby Sensory

Our work also extends to include children with challenging behaviours.

Our therapists are trained in SI and SOS feeding and we also provide training for parents/carers and professionals in all the above areas. We are very proud to have two support groups which are vital to our parents and children/young adults.

"Working for the benefit of children"

Tree Tops have two clinics: Eldon Road, Newton Aycliffe and Durham Road, Stockton.

Come along and see where we are!
