

# County Durham Families Information Service

## PULSE Community Healthcare

We can provide care 24 hours a day, seven days a week if necessary.

We provide safe and effective healthcare services to people in their own homes and communities.

We have a proven track record of supporting a wide range of short and long term complex care conditions.

Our knowledgeable staff are available day or night and are experienced in supporting a range of conditions. We fully support all our clients to live independently and enjoy life whilst delivering the highest levels of quality care.

We specialise in:

- airway management
- brain injury
- end of life
- neurological conditions
- physical disabilities
- spinal injuries
