## Daisy Chain Child Care

Hello my name is Rachael and I am the proud owner of Daisy Chain Child Care. I have spent many years working in a small childminding setting in Sunderland and one of the most important factors was being able to care for children in a cosy home setting. This experience has influenced the setting of Daisy Chain, which has been set up in my own family home.

I am registered with Ofsted and able to offer high quality child care for children from the ages of 3 months to 10 years old. I hold numerous qualifications including a Level 3 in Health and Social Care, Level 3 in Child Care and I have recently completed a foundation degree in Business and Management. I also have two assistants that work alongside me. My first assistant is Heather Watson, she is a qualified nurse and has worked at Daisy Chain since January 2020. My second assistant is Paige Lee who joined our team in September 2020, she holds a level 5 in childcare and is currently working towards her childcare degree.

We are very proud to provide a cosy 'home from home' feeling with a happy, friendly atmosphere where children can develop their confidence and learn through play in a safe, warm and caring environment. Our aim is to create a loving place, where children will want to come back again and again.
