How does the early year's provision identify and assess children with special educational needs and disabilities?

How does the early year's provision identify and assess children with special educational needs and disabilities?

Detailed intake system, allowing for time with the child in their home environment and to collect information from parents/carers.

Multi agency work with focus on communication with parents/carers.

How will the curriculum be matched to meet children's developmental needs?

How will the curriculum be matched to meet children's developmental needs?

Observations, short notes inform level of ability and development. Keyworker system in place as well as 2Simple build a profile for electronic assessments and email system for sharing with parents.

What specialist services and expertise are available at or accessed by the early years setting?

What specialist services and expertise are available at or accessed by the early years setting?

Partnerships with all those involved with the child, school head teacher, school PSA, SEN team, EDA, EAL and One Point.

What training have the staff supporting children with SEND had, or are having?

What training have the staff supporting children with SEND had, or are having?

Regular SENCO business meetings attended, SENCO training annually.

How accessible is the early years setting environment? (indoors/outdoors)

How accessible is the early years setting environment? (indoors/outdoors)

Changing facilities and shower in place. Ramp is needed but access could be gained through school.

How will the early years provision prepare and support my child(ren's) transition to their next educational establishment?

How will the early years provision prepare and support my child(ren's) transition to their next educational establishment?

We operate within the primary school. Good relationships with staff aid a smooth transition for those children choosing to attend the primary school.
