New Steps Care in the Community

We provide high quality day care for people with disabilities in the community setting. We can be found in the heart of Chester-le-Street.

Our accessible premises have a work/dining area, quiet area, kitchen, an office and disabled toilet facilities.

We offer a variety of interesting activities inhouse and out in the community that are tailored to suit you and your needs. Come and join us, meet new people and make new friends. You can bring a packed lunch or we can support you to buy lunch, from one of your local pubs or stores in the local community. We operate an open-door policy.
