

## Learning Disability Team (Social Care)

The Learning Disability Team provides a social work service to adults with learning disabilities and also adults with Autism within Redcar and Cleveland. Access to services is through referral and subsequent assessment by the team.

### **How will children or young adults (0 to 25 yrs) be considered for a disability social worker?**

A referral should initially be made to the First Contact Team or Adults Access Team, if aged 18+, both based at Seafeld House, Redcar. Please telephone 01642 771500. The worker will make a decision, based on the information provided, about which is the most appropriate team to complete the 'Assessment of Need'. A social worker will then be allocated from the appropriate team to complete the assessment and ensure that the criteria are met.
