She Stoops to Conquer - an 18th Century farce for all the family

It's the 18th century.

Kate Hardcastle is a young lady fixed up to meet the eligible Marlow with a view to marriage. Marlow is a young gent who is tongue-tied with the upper classes and downright lecherous with commoners.

So when Marlow is tricked into believing Kate's ancestral home is a country inn, and mistakes Kate for a lowly barmaid what could possibly go wrong?

Plenty!

So pack your picnic, rugs and chairs, pop open some bubbly and sit back and relax in the summer sunshine, while we whisk you away to the time of big wigs, and even bigger dresses; where fops and foolery abound!
