Central London Community Healthcare Speech and
Language Therapy Service introduces:

Learning Workshops for school staff

**to benefit students with Speech, Language
and Communication Needs (SLCN)**

At the workshops you will learn strategies and approaches relevant to SLT input taking place at your school. Please come ready to learn with specific students in mind.

These workshops are a great opportunity for school staff to gain skills to facilitate achievement of Education, Health and Care Plan Outcomes. We also welcome staff working with a wider population of children with SLCN.
