Tiny Teddies Holiday Scheme Fun Club

Holiday Scheme
Our Fun Club has proved to be a great success since its introduction in October 2006. We are open every holiday except Christmas week at St Augustine's Sports Centre, offering full days 8 until 6 or just mornings or afternoons. All our fun clubs are run by experienced CRB checked and qualified Child Care staff and the children are always within ratio. At the fun club your children will be guaranteed the following:

The use of indoor and outdoor sports facilities, cooking lessons, art and craft activities, role play and imagination. There is usually a theme for the holiday and activities are planned around this.
Parents are asked to provide a packed lunch, drinks and snacks are provided throughout the day.
There is a large sports field with grass and hard flooring.
We now run weekly academys with a different sport/activity each week including drama, dance, sports, archery, fencing, trampolining and gymnastics.

Just one of many customer testimonials: “The activities and resources were really enjoyable, for a change my child was not glued to some games console” - Ananya's Mum

Tommies Childcare Holiday Scheme

Holiday Scheme

Tommies Holiday Club is a vibrant, welcoming place located in the Holbrooks area of Coventry - Ofsted rated Tommies as "Good with elements of Outstanding" at its last inspection in 2009.

The centre has 4 main rooms, sensory areas, designated sleeping areas and an expansive garden. Outside is fully enclosed and well equipped with lawn and tarmac areas for children to enjoy and explore with a range of fixed equipment including a climbing frame, swings, a playhouse, and a gazebo. The tarmac area lends itself to a wonderful all weather surface to provide children with the opportunity to ride bikes, scooters and to play with the large outdoor wooden blocks.

As part of the Tommies Childcare family the team pride themselves on creating warm, vibrant and interactive environments, which allow children to learn and have fun. Qualified and experienced staff teams are committed to providing children with the highest quality of care and education. Established in 1998, the company is a family run business that puts the child at the heart of everything they do.

We have been awarded Coventry and Warwickshire Employer of Choice Award 2009 and Midland Family Business Commitment to the Community Award 2012.

We have on offer a range of activities for children including arts and crafts, team games and sports, cooking, graphics and 3D modelling - something different is on each day!
We have a range of play equipment including football, snooker and table tennis tables, computers, dolls, pretend play, dressing up, lego, building and construction and much, much more. We encourage parents and carers and children to be involved in the club and talk to staff as much as possible. We do questionnaires to find out children's views of the club and try to act on their suggestions as much as possible to make the club as child friendly and as enjoyable as it can be.
Outdoor space is available to children and used as much as possible - we have a range of sports and play equipment aimed to promote a healthy lifestyle and enjoyment of sports. We also make regular trips to the local Memorial park which has safe climbing facilities.
We have a number of resources that reflect and promote our diverse community. All the staff ensure that activities carried out at the setting are adaptable and therefore fully inclusive. Where a parent, carer or child suggests or feels any specialist equipment would benefit a child, we would be happy to look into it.

Holiday Scheme
We have been successfully running holiday camps for several years now in different locations across Coventry and Warwickshire. Our camps are designed to create a secure environment for your children to be active during the school holidays. Kids can choose from football, street dance and multi-sports.

Children are always organised into age appropriate groups and on the final day of our camps we invite parents, carers and family members to watch the awards ceremony where the street dancers will perform a dance routine they have been working on. Every child will receive a certificate and medal and trophies will be awarded to selected kids!

Please check the website for details as running at various venues over the summer

**Holiday Scheme**

Enchanted is an organic and eco friendly early years setting. Our holiday club accommodates children from 4 - 11 years. We have a wide range of facilities and equipment for our holiday club, including a dance workshop for children to attend. There are exciting activities available for all children to participate. We have cooking sessions and creative workshops where children can enjoy messy play, sand, painting, science experiments, drawing, collage making and having fun with arts and crafts. There are game consoles and ICT equipment for children to use, as well as lots of outdoor play in our large garden area.

There will be an opportunity for children to attend trips and outings such as; visits to Herbert Art Gallery to participate in arts and crafts, cinema trips, Twycross Zoo and Hatton Farm trips and other exciting adventures planned for all children attending our holiday club.

We aim to make our holiday club as fun as possible, all children get to choose activities and help us plan exciting adventures too! There is a wide range of additional equipment we use for our holiday club, to keep their minds busy! We also have lots of fun in our outdoor garden, with a large space for games, activities, bikes and scooters, climbing, digging in the mud and sand, building, mark making, painting and lots lots more!

At Enchanted we provide high quality resources and equipment, predominately wooden following our low plastic toy policy.

The care and welfare of all children is our main priority and we aim to exceed parents expectations to provide outstanding care and education, along with having excellent safety and security systems in place throughout the nursery. Our holiday club operates a lower ratio than required by Ofsted to improve the quality of care, learning, education and supervision of all children.

We have a fantastic staff team with a variety of experience and qualifications, including degree level. All of our staff have an enhanced DBS.
Both directors have an excellent knowledge and are highly experienced within the early years and have an open door policy, to provide parents the opportunity to discuss or meet with them at any time.
