1. Introduction and Aims

1. This document sets out the overarching Children's Centre policy and procedure to be followed to safeguard children accessing services at or through a Children's Centre in the London Borough of Ealing. This policy must be made available to all members of the Children's Centre community in hard copy or electronically.

2. If the core services at this centre are provided by a number of different organisations for example a school, a voluntary or private sector childcare provider and an externally commissioned service this policy and procedure must act as the overarching guidance for the Children's Centre.

3. All parties should be familiar with its content. If this content is a variance with existing policies which would render this document ineffective the existing policies must be amended in accordance with this document.

4. However, this document does not replace existing agency or single organisation policies, but acts as a shared document to clarify safeguarding roles and responsibilities within a Children's Centre in which a number of different services and organisations deliver services.

5. Schools and centres that let their premises to external providers or commission services themselves should also refer to the DfE’s Keeping Children Safe in Education July 2015 and supplementary document: Keeping Children Safe in Education July 2015 (Information for all school and college staff).

6. The staff (and governors where applicable) of the Children’s Centre must recognise their legal duty to safeguard children, including their legal duty to refer concerns of child abuse or neglect to the appropriate investigating agency, and also recognise that this duty of care extends to protecting children from harm and neglect outside the Children’s Centre.

7. Children’s Centre Advisory Boards must also recognise the importance of supporting the Children’s Centre community in meeting its obligations regarding safeguarding and protecting children. Safeguarding must be a standing item on the agenda.

8. The Children’s Centre aims to follow the procedures set out in Ealing’s Child Protection Policies and Procedures (Yellow Book 2014), the London Child Protection Procedures; and (as applicable), The Early Years Foundation Stage, and the DfE’s Keeping Children Safe in Education July 2015 and supplementary document: Keeping Children Safe in Education July 2015 (Information for all school and college staff).

9. The Children’s Centre is committed to:
   a. Raising the profile of Safeguarding and Child Protection, including the need for constant vigilance amongst staff and adults working at the Children’s Centre
   b. Sharing the safeguarding and information sharing policy (page 21-23 of Yellow Book 2014) with parents on admission and by publicising these policies
   c. Establishing and implementing effective procedures for identifying, reporting, and monitoring all concerns about children/families
   d. Establishing and implementing effective working arrangements to support children in accordance with agreed child protection/child in need plans
   e. Providing a curriculum and learning environment, which promotes the development of the attitudes and skills children need to keep safe
   f. Establishing and implementing the recommended procedures for safer recruitment as they apply to staff, students and volunteers
   g. Ongoing safeguarding training for all colleagues appropriate to their role and level of responsibility including regular attendance of NSP or Centre representative at the Nominated Safeguarding Persons’ Network (termly meetings)
   h. Undertaking an annual safeguarding audit using the children’s centre safeguarding audit tool; additional reviews may be required following any safeguarding incidents at the centre, however the annual audit must still be carried out
2. Objectives of the Policy

The objectives of this policy are to:

1. Raise the awareness of everyone working at the Children’s Centre of their duty to act immediately in identifying and reporting concerns about children/families.
2. Clarify roles and responsibilities in relation to safeguarding children.
3. Clarify safeguarding roles and responsibilities for different organisations that deliver services at the same Children’s Centre.
4. Set out the procedures for reporting initial concerns and making referrals.
5. Set out the procedures for the ongoing monitoring of children identified to be at risk.
6. Set out the procedures for reporting to and attending child protection meetings.
7. Set out the procedures for safer recruitment including volunteers
8. Set out the procedures for managing allegations against professionals
3. Roles and Responsibilities

Every service or organisation that regularly delivers services to children and families in the Children’s Centre must have a dedicated person to act as the lead on all safeguarding children issues. This person would be the Nominated Safeguarding Person (NSP).

Within each Children’s Centre there must be at least one NSP for each organisation / provider based in the centre, with the lead NSP being the overall manager or designated member of staff for the Children’s Centre.

Ealing’s Children’s Centres are configured into Locality areas with a lead centre for each locality. The NSP for the lead centre has an overarching role with the locality and must ensure good communication between NSP’s in the Locality.

However each NSP is responsible as set out in this policy for following out the requirements of this role for the services and organisation in which they are employed.

The role of the Nominated Safeguarding Person (NSP) is to:

1. Take the lead in safeguarding all children accessing Children’s Centre services and day care provision.
2. Ensure a named deputy Nominated Safeguarding Person is in place.

8. Provide advice to staff about how to take a concern or complaint forward and keep a record of all communications, date, time and who with (including role/agency) and when this will be reviewed and by whom. Record all reviews.
9. Liaise with local statutory agencies to seek any further advice and guidance as needed and record this.
10. Keep securely following data protection protocols all records of any concerns, discussions, decisions and referrals made, these records must be signed and dated.
11. Keep an overview of all children under five supported through an EHAP within your centre ( for Locality NSP with the Locality)
12. Keep accurate records for all children on Children In Need (CIN) and Child Protection Plans. Records should include attendance/punctuality monitoring and any other tasks set by the core group.
13. Contribute to and attend case conferences, core groups or strategy meetings as required.

16. Understand their role and responsibility in identifying and addressing concerns around extremism and radicalisation in accordance with Prevent Duty Guidance for England and Wales 2015¹.

The Nominated Safeguarding Person (NSP) is responsible for:

c. notify the organisations NSP and report to ECIRS by phone 020 8825 8000 and follow up by secure Email (Egress): ecirs@ealing.gov.uk

4. Identifying, Reporting, Referring, and Monitoring Concerns

Staff must be as objective as possible in observing and reporting concerns, writing down exactly what they see and hear, and keeping this distinct from their opinions and beliefs. Staff must also act sensitively at all times with the child and ensure only to ask non leading questions e.g. ‘How did you get the bruise?’ not ‘Did daddy/mummy hit you?’ It is good practice to have another member of staff within the vicinity to witness conversation.

The Children’s Centre Nominated Safeguarding Person (NSP) must be informed at all times if there is a safeguarding concern within the Children’s Centre. If the NSP is not the Head of Centre, they must notify the Head of Centre/manager/proprietor of all safeguarding and child protection concerns arising at the centre.

Professionals delivering services at or through the centre from an independent organisation must inform the Children’s Centre NSP if they have any safeguarding concerns relating to children using their services.

The safeguarding responsibilities of the other services and organisations are set out below in relation to a range of circumstances that may occur in a Children’s Centre:

1. If a safeguarding concern is raised by a visiting member of staff about a child who is receiving a service that is delivered by the lead organisation for the Children’s Centre the Children’s Centre Nominated Safeguarding Person (NSP) must be informed and take forward the complaint or concern.

The Children’s Centres NSP must inform the NSP of the other organisation of this concern and the actions being taken as long as these do not relate to the other organisation itself.

2. If a safeguarding concern is raised by a member of staff about a child that is receiving a service being delivered solely by the other organisation the NSP for that service or organisation must take forward the complaint or concern.

The NSP for the other organisation must inform the Children’s Centre NSP of this concern who may then consider a joint investigation or need to take action as a consequence of this concern; for example to safeguard a sibling attending another service within the Children’s Centre.

These reporting responsibilities are set out in the following flow chart.

The Children’s Centre’s NSP must enter the details of their centre in the flow chart and display this prominently within the centre office. They should also ensure that all staff within the lead and other organisations working at the centre are aware of these reporting responsibilities.
5. Children’s Centres Reporting Responsibilities Flow Chart

This flow chart does not replace: ‘Dealing with concerns about a child/young person (Yellow Book 2014 page 41) which must be followed by all staff and organisations working in Ealing Children’s Centres.

When following your procedures for reporting a concern regarding a child please refer to Ealing’s Thresholds

A child shows signs of being in need or injury, neglect, emotional or sexual abuse

Immediately inform the lead Nominated Safeguarding Person (Children’s Centre) and The Nominated Safeguarding Person (NSP) for your own organisation (if different)

- If you work for the lead organisation and the child is in your care
  - The Children’s Centres NSP follows procedures and reports concerns to Children’s Services

- If you work for another organisation and the child is in your care
  - The NSP of your organisation follows procedures and reports concerns to Children’s Services

Regardless of the route taken, The Nominated Safeguarding Persons involved MUST feedback to each other the nature of the concern, actions taken and the outcome of the referral (if made)

Nomination Safeguarding Persons must consider the needs of any siblings accessing a service delivered by the lead or other organisation at or through the centre.

If thresholds is not met for a referral the individual with concerns or the NSP should monitor the situation. If the child’s situation does not appear to improve, you must reconsider a referral to ECIRS

IN AND EMERGENCY OR IF YOU HAVE A GENUINE CONCERN THAT APPROPRIATE ACTION HAS NOT BEEN TAKEN INDIVIDUALS CAN MAKE REFERRAL DIRECTLY TO ECIRS.
6. Procedures for raising concerns:

When raising a concern, the following procedures will be followed:

1. **Staff, students, volunteers, or governors** who have concerns about any child’s wellbeing or safety or any parent/carer’s behaviour, must record their concerns, using the Safeguarding Issue Log (Yellow Book 2014 Appendix four page100/101) noting the:
   a. Date and time
   b. What they saw and heard,
   c. Who else was involved, and
   d. Share this immediately with The Nominated Safeguarding Person (NSP).

2. When appropriate the position of marks/bruising must be plotted on a body map with information of size/colour.

3. All notes must be signed and dated by the person making the report.

4. In order to make the process objective and maintain confidentiality, concerns should not be discussed with colleagues at this stage - the NSP will decide whether, when and how best to consult colleagues.

5. The NSP will draw together the immediate evidence/concerns about the child/family to inform the decision to make a referral. This should not delay the process of a making a referral.

6. In cases where threshold is not met for referral the individual with concerns or the NSP must keep a written record of concern and monitor the situation.

7. If further concerns are observed or the situation does not improve for the child the individual with concerns must press for reconsideration around referral.
   **Note:** In circumstances such as an emergency or a genuine concern that the appropriate action has not been taken anybody can make a referral to ECIRS

7. Procedures for making a referral:

When making a referral, the following procedures will be followed.

1. The initial contact with parent/s must be well planned to ensure child/children’s welfare and parent/s understanding and cooperation. Parents will normally be told of the referral unless this puts the child at risk, or in the case of suspected sexual abuse.

2. Prepare a chronology of significant events to send with or after making the referral via the Ealing Children’s Services-Interagency Referral and Assessment Form. **Note:** Although this is required there must be no delay in making a referral if this information is not ready to hand.

3. **Phone ECIRS:** Tel: (020) 8825 8000 and discuss concerns for follow up information Email: ecirs@ealing.gov.uk. **Note:** If child lives in another Borough, then the Social Services in that local authority should be contacted. Never leave a message on an answer machine when making a safeguarding referral, always make sure you speak to someone and record the name of the person who you have made the referral to.

4. If you have made the decision not to inform the parents of the referral you must speak to a Social Worker in order to plan who will contact parent/s and when.

5. If you are not contacted by a Social Worker by the time the child is due to go home, **phone ECIRS again.** You should phone the police if the child is about to go home and you are concerned that they are at immediate risk of significant harm.

6. At the end of the referral discussion the referrer and ECIRS should be clear about proposed action, timescales and who will be taking action, or that no further action will be taken.
7. All referrals from professionals should be confirmed in writing, by the referrer, within 48 hours.

8. **If the referrer has not received an acknowledgement of the referral within three working days, they must contact ECIRS again.**

9. Where there is to be no further action by Children’s Services, feedback should be provided by Children’s Services to the referrer about the outcome of this stage of the referral.

8. **Procedures for monitoring children thought/known to be at risk**

When monitoring a child thought or known to be at risk, the following procedures will be followed:

1. Written records of concern/incidents must be kept even if there is no immediate plan for a referral.
2. The Nominated Safeguarding Person (NSP) will inform the key person of their responsibility to keep and maintain record of information about the child.
3. The key person is responsible for maintaining records of wellbeing and progress. When levels of concern are high or a child is subject to a Child Protection or Child In Need plan, daily records will be needed for detailed monitoring of the child’s emotional wellbeing; relationships; physical wellbeing; play; toileting issues etc.
4. Aspects of a child’s wellbeing and progress are discussed at team meetings when relevant to obtain feedback from all colleagues, and to plan future action as a team. These plans must be recorded and reviewed.
5. The NSP must maintain a record of telephone and other relevant contacts with outside agencies, staff, and parents/carers in the child’s file.
6. Children’s files are stored in a locked filing cabinet in a lockable room.

9. **Procedures for reporting to and attending review meetings**

When reporting to and attending review meetings, the following procedures will be followed:

1. The Nominated Safeguarding Person (NSP) notifies Children’s Services immediately of any concerns or unauthorised absences involving Looked After Children and children subject to Child Protection or Child In Need plans and records it on the child’s file.
2. The NSP and/or the child’s key person provide reports for and attend case conferences, core group meetings, and professionals’ meetings as required.
3. On transfer, records are passed on as appropriate to the NSP at the receiving school. If the child is currently subject to a CP/CIN plan and agreement has been provided by the lead professional. Centre or childcare provision must keep a photocopy of these records with the Children’s Centre for 3 years after which they are archived.
10. Safer Recruitment

The Children’s Centre follows the Safer Recruitment Practices outlined by the DCSF (Jan 2007), which aims to identify people who might be harmful or unsuitable at the outset, and prevent them from working with children.

The Children’s Centre aims to ensure insofar as is possible, that anyone seeking paid or voluntary work at the Children’s Centre is safe to work with children.

The Children’s Centre expects all staff and volunteers to share commitment to safeguarding and promoting the welfare of children.

Safer Recruitment requires the Children’s Centre to embed child protection and the safeguarding of children at every stage of the recruitment and selection process.

When recruiting staff, the following procedures will be followed:

1. At least one member of the interviewing panel will have attended appropriate safer recruitment training (provided by LA)
2. Ensuring job descriptions clearly state the responsibility staff have for safeguarding children and promoting their welfare.
3. Including specific reference to applicants’ suitability to work with children in future person specifications.
4. Use of application forms, which include necessary statements relating to the Rehabilitation of Offenders Act, and a Safeguarding Statement, which summarises the vetting process that will be undertaken. (Reference Local Authority Application Forms)
5. Scrutinising applicants’ education and employment history.
6. Completely resolving apparent gaps/discrepancies in the application (including gaps in employment) at the interview stage, all gaps/discrepancies must be accounted for.
7. Obtaining independent references to assess the applicants’ suitability to work with children and addressing concerns that may arise.
8. Children’s Centres must ask for previous allegations founded and unfounded and if subject to any disciplinary procedures even if time scale is spent.
9. A formal interview, which will include questions relating to safeguarding of children.
10. Verifying the successful applicants: identity, academic/vocational qualifications, employment history and experience and resolving anomalies, health and physical capacity for the job.
11. Processing the application for and obtaining clearance from the Disclosure and Barring Service (DBS) for an Enhanced DBS check before staff take up employment (see page 14 of this policy and procedures)
12. In exceptional circumstances if a staff member is required to start before a satisfactory DBS check has been received a risk assessment must be carried out, reviewed and signed by the overarching NSP. The member of staff must never be left unsupervised with children.
13. At recruitment a Disclosure by Association check will be conducted, this will be rechecked regularly (as advised by HR) in personal supervision of staff.
11. **Single Central Record**

The Children’s Centre keep a Single Central Record of Recruitment and Vetting checks and a Record of ID Checks for all staff, students and volunteers who work or deliver services at the centre.

The Single Central Record of DBS disclosures should include details of:

1. Name
2. Role
3. Organisation
4. DBS number
5. Date of DBS Disclosure
6. Confirmation that the Head of Centre or a person delegated by them has had sight of this disclosure
7. Confirmation that the Head of Centre or a person delegated by them has seen proof of identification such as a passport or Photo ID from a statutory agency or organisation contracted by the Local Authority. Copies of disclosures must not be kept on site.
8. For national and external organisations recognised by the LA such as NHS healthcare professionals or LA maintenance teams you should expect to be provided with the full DBS details. In some instance a formal letter from their organisation that clearly outlines that staff have all received DBS clearance. This letter should be annually updated.

12. **Disclosure and Barring Service (DBS)**

Children’s Centres provide regulated activity (children) as set below:

1. Regulated activity includes unsupervised activities e.g. teaching, training, instructing, **care or supervision of children or providing guidance or advice on well-being**, driving a vehicle for children only.

2. Regulated activity also includes work for a limited range of establishments (specified places) where there is an opportunity for contact e.g. schools, children's homes, children’s centres and childcare premises (but not work by supervised volunteers – **unless this is frequent** see point 5 below)

3. If you are on the payroll working at a school / children’s centre / childcare provider, this is classed as Regulated Activity

4. Contractors or any employee of the contractor has to have an appropriate level DBS checks. Contractors engaging in regulated activity will require and enhanced DBS certificate (including barred list information). For all other contractors who are not engaging in regulated activity, but whose work provides them with an opportunity for regular contact with children, an enhanced DBS check (not including barred list) will be required. When considering whether the contact is regular (regular is defined as carried out by the same person frequently (once a week or more often), or on 4 or more days in a 30-day period, it is irrelevant whether the contractor works on a single site or across an number of sites)

---

Temporary and maintenance workers are not in regulated activity, it is the school's children's centre and childcare providers responsibility to ensure the safety of the children through supervising these staff at ALL time.

5. Frequency and intensity comes into play with children. Even if a role is unregulated e.g. volunteer, **if they were to be at the school / children's centre / childcare provider once a week or four times in a month, because of the frequency they would need to have a DBS check carried out, but not a Barred List check.**

6. Those roles that used to be in Regulated Activity but are no longer in Regulated Activity (i.e. they are fully supervised) **can still have an enhanced DBS check but no Barred List check.**

7. Parent volunteers on school or centre trips need to be supervised at ALL times and it is the school's children’s centre or childcare provider's responsibility to ensure this happens.
**Disclosure and Barring Service checks**

**13. Managing Allegations Against Staff**

The Children’s Centre has a professional duty to provide a safe and happy environment and nurturing ethos, which fosters confidence, independence and learning, and:

1. Recognises the importance of close contact with trusted adults for young children’s healthy development and its importance in building self-esteem and positive attachments between the staff and the children. This is especially important for the youngest children who require the greatest amount of physical care, handling, and comforting.

2. Fosters the development of natural relationships between staff and children based on care, respect and love for the children, which includes close physical contact and warmth. This sort of contact is not encouraged with students, volunteers and short-term agency staff. Everyone is nevertheless, expected to always observe professional and appropriate boundaries in their relationships with the children.
To ensure a safe environment, the following procedures will be followed:

1. Activities where staff are alone with a child or group of children for a short period of time – e.g. during story times, must be planned, agreed and recorded by the Centre Head or delegated manager to ensure that staff qualification and ratios are met at all times, and risk assessment carried out as appropriate.

2. At least one member of staff must hold a full and relevant level 3 qualification (if working with under twos additionally “must be suitably experienced in working with children under two” (Statutory Framework for Early Years Foundation Stage September 2014)

3. 15. Supporting children’s safety through learning

The time that children at risk spend at nursery may be the only stable and predictable part of their lives.

It is especially important to provide children in these circumstances, with a secure, caring environment and a curriculum that is based directly on their observed developmental and care needs, capabilities and interests. For example, in knowledge and understanding of the world the children will learn how to keep themselves safe when walking on the pavement near traffic. The Key Person system enables the Children’s Centre to do this on an individual basis.

The Children’s Centre recognises the fundamental role that children’s personal, social and emotional development plays in their wellbeing and their ability to develop and learn ‘normally’ – as well as the potential impact it might have on their ability to stand up for themselves and keep themselves safe. Within Children’s Centres we promote the fundamental British Values of Democracy, Rule of Law, Individual Liberty and Mutual respect and tolerance of others.

The Children’s Centre therefore plan to:

- Build their ability and willingness to say what they want/need and speak up for themselves, knowing they will be listened to.
- Help them understand boundaries and acceptable behaviour.
- Help them understand that they have the right to feel safe and not be frightened.
- Help them deal with conflicts by talking, explaining their motives and negotiating.
- Teach them to say no if they don’t like something/don’t want to do something.
- Help them think about keeping safe/keeping away from danger.
- Teach them where to go for help and how to ask for it.
- Teach them to treat others as they would want to be treated themselves.

This safeguarding policy and procedures should also be read in conjunction with the following documents and policies: (Schools include relevant policies from the Ofsted list below as appropriate to their setting but there must be reference to cross policy links)

- The health and safety policy and related risk assessments
- Anti bullying policy and procedures
- Behaviour management policy
- Procedures for meeting the needs of pupils with medical conditions
- Procedures for first aid
- Policy for managing intimate care (toileting)
- Mobile phone and camera policy
- Whistleblowing policy
- Expectations and rules around the use of the internet on site by staff, parents and children
- Recruitment of staff.
