ASD Outreach support children and young people with an ASD and their families.

ASD Outreach can help if
- You go to a school in Greenwich
- You have an Autistic spectrum disorder (ASD)

We will help you to
- Understand what ASD is
- Support your teachers to help you better
- Give you ideas to help yourself
We work with students with an ASD in schools

We work with teachers and LSA’s in schools

We work with speech therapists, doctors and other health staff

We work with families to support them to help their children
Get in touch with ASD Outreach and ask if they can help you
