

Corona virus is a sickness

Some people will be ill. Most people will stay at home and get better

Some people will go to hospital

To not get sick, I need to wash my hands a lot.

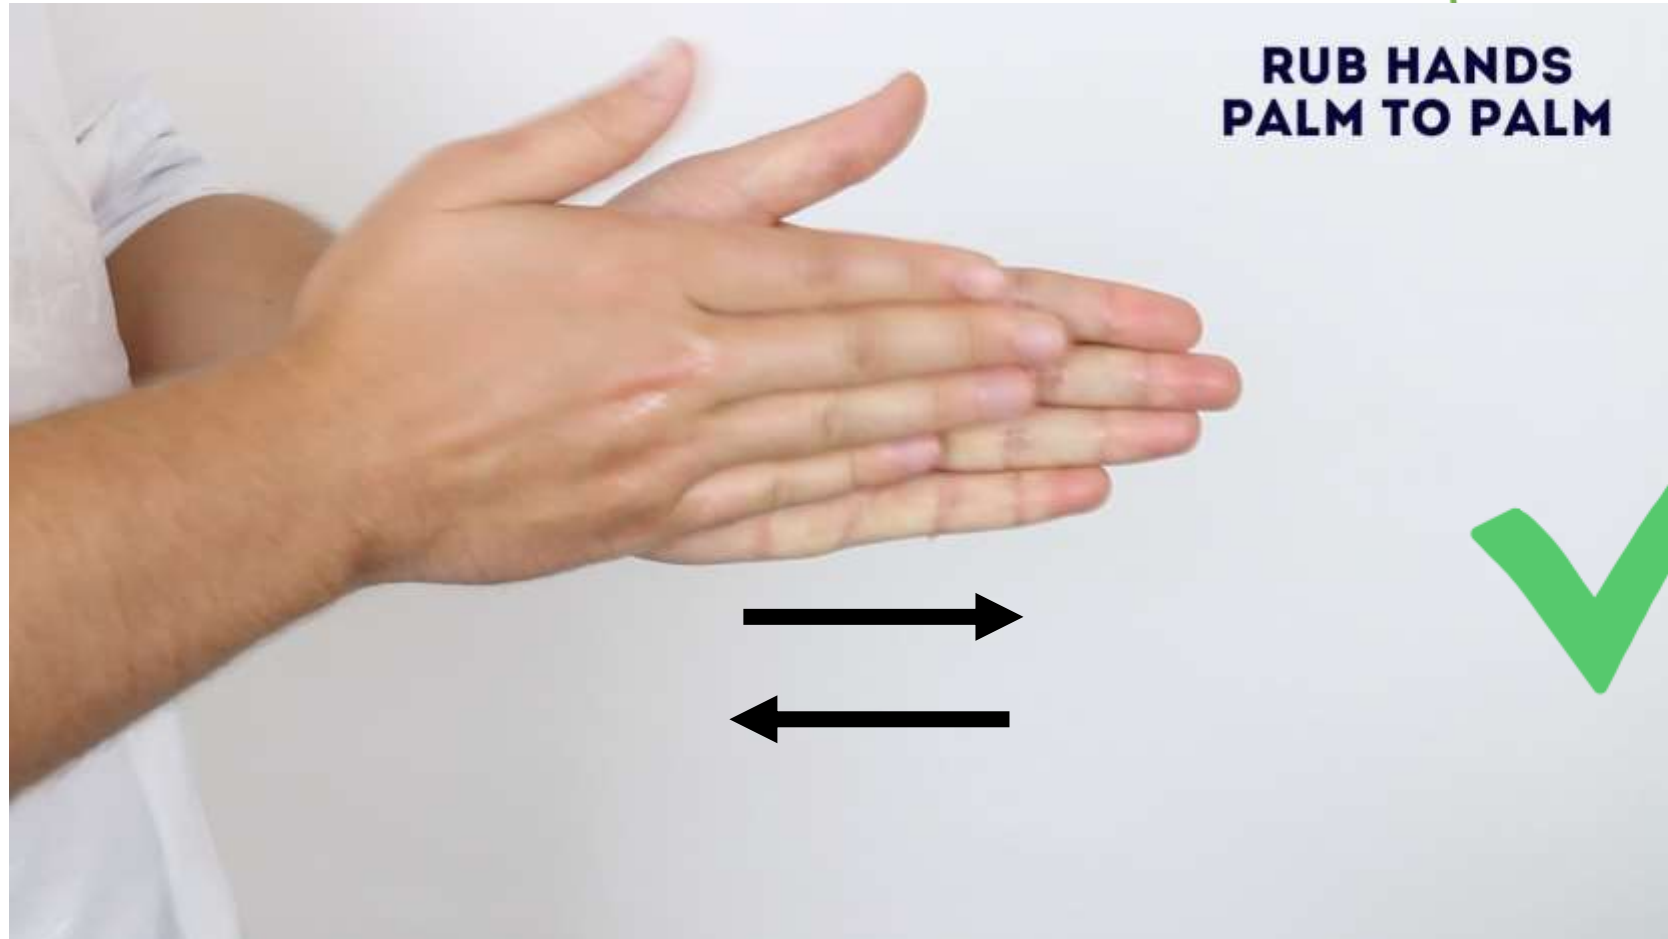

When I wash my hands I can make lots of bubbles! Bubbles are great!

I can sing a song while I wash my hands too!

If I can't wash my hands I can use hand sanitiser.

We rub hands back and forward! Hand sanitizer makes your hands all slippery. This is ok!

Hand sanitizer might have a funny smell. This is ok!

I need to put my dirty tissues in the bin!

If I cough I do in my sleeve.

Touching face is finished. It is hard, but we keep trying.

There will be no school for days. It is sad.

But school will open again - yay!

Bus will not come.

Bus will come again soon though!

I need to stay at home now. At home I can do lots of things.

ZONES OF REGULATION!

If I feel sad I remember to use my strategies

I can do exercise in my house!

Its fun to learn exercise and dance from YouTube.

Lots of my other favourite places will be shut. It is sad.

 THE GARDEN

They will open again soon...
