HARTLEPOOL BOROUGH COUNCIL

Face-to-Face

A proportion of our families like to receive information from the worker supporting their family. We continue to work with our workforce to make sure they have the information needed and that they know where to go if further information is needed.

SENDIASS

An impartial service available to parents, carers and young people to support with special educational needs and disabilities linked to education, health and care.

For more information: 01642 284876
