| **Family Information Group**<br>www.familyinformationgroup.co.uk<br>Tel: 01708 378141 e-mail: office@familyinformationgroup.co.uk | Play scheme days are provided based at our premises in Harold Hill, or at Ravensbourne School. We provide a mixture of onsite days and day trips. We provide a high ratio of staff to children. This ensures that during onsite days children and young people can choose from a range of activities which may include wild animal visits, entertainers, inflatable castles and assault courses, art and craft, sand and water play, cooking and sensory cooking, sensory storytelling, swimming, indoor and outdoor games and a variety of other activities depending on the interests of the child/young person.

Day trips are based on the needs and likes of children and young people, and suggestions from parents. Trips may include Stubbers, Diggerland, Seaside, Maldon Splash Park and other places of interest suitable for the children and young people.

Transport to and from FIG may be available for children who would otherwise be unable to attend. Please discuss this with the FIG office. **Activities**
All activities, outings or tasks aim to advance the
developmental progress of the children and young people we
support. Activities can aim to develop physical strength,
cognitive ability and communication skills. We also use
interventions such as Training in Systematic Instruction and
Active Support to develop thinking techniques and decision
making ability.
The groups will offer one-to-one support in activities such as:
arts and crafts, sports, music therapy and messy play. Staff also
keep aware of each child’s capabilities, and take extra care
when trying new activities or toys.
Although activities are themed, how they are executed and
their complexity is tailored to each child. Parents and carers
are also consulted on the preferences, likes and dislikes of the
children and young people we support. Weeks or sessions as a
whole are themed, and examples of themes include; Around
the World, Carnival, Time Travel and Fantasy.
We also promote inclusion within the community and develop
integrated activities by planning activities in locations such as
Look Out Discovery Centre, LEGOLAND, and London Zoo.

**Age range**
The Unity Service is available for children and young people between the ages of 5-18. The group is divided into 5-11 year olds and 12-18 year old to provide age appropriate activities and promote relationship forming amongst peers. The In-Betweeners is a transitions group for those aged 16-25 skills.
