Islington’s Children’s Centres

Islington’s 16 Sure Start Children’s Centres offer a range of activities and services for children and their families, to give every child the best start in life.

How to register

If you aren’t registered, you just need to fill out a simple form, which you can get by contacting us on any of the details below.

Children aged three and four and some two-year-olds are entitled to free nursery education for 15 hours a week. Costs for daycare depend on the age of the child. Most other services are free or low cost – ask at the children’s centre for details.

Get involved

There are plenty of opportunities for you to get involved in shaping the services we provide, such as:
- helping out at activities
- being on advisory boards
- being involved in parents’ forums
- taking part in regular surveys we carry out
- volunteering.

Islington has 16 Sure Start Children’s Centres that support Islington children and their families.

As well as education and daycare for your child, the centres offer a wide range of activities and services for parents of children under five and pregnant women. These include health checks, benefits advice and help with finding work. Most of these are free. Read on for more details, and remember – once registered, you can use any of our 16 children’s centres.

Help and support

Whether you’re a father, mother, childminder or grandparent, all Islington’s Children’s Centres can offer you free and confidential information, advice and support about a range of issues, including:

- parenting
- benefits, welfare and housing
- training and employment
- health services, such as speech and language therapy and breastfeeding support.

They can also help you get in touch with other services or professionals – for example, services for children with additional needs.

Fun activities

Children’s Centres are warm and welcoming with fantastic facilities, including safe and attractive gardens. You and your child can join in with a range of fun activities, such as storytelling, singing and music, together. Coming to our centres gives you both a great opportunity to make lasting friendships.

Courses for parents

Fathers and mothers can take advantage of a range of sessions, including English classes and parenting courses, and centres do their best to respond to your interests.

Islington’s Children’s Centres

Islington has seven Children’s Centre clusters, each made up of two or three children’s centres that plan and coordinate services together.
