BUILDING BETTER OPPORTUNITIES

'Women at the Centre'

A programme of individual support helping women

**From BAME communities into Employment,
Education and Volunteering**

Women who are currently unemployed or economically inactive are eligible to join our programme.

We provide one to one advice and information sessions - where we will create your CV, find the ideal training or volunteering opportunities to help you develop relevant skills and confidence to reach your goals.

We will help you apply for latest job vacancies and continue to offer guidance and support once you are in work.

***Call us today to make an appointment ***

To register you will need - proof of ID, proof of Address and proof of benefits/income status
