

# Sixth Form & College Enrolment for 2019-20

13 August 2019

This bulletin lists details of open enrolment, application and advice events at sixth forms and further education colleges that may be of interest to young people from Central London. The information was correct at the point of publication, but events are added and changed regularly, so we strongly recommend checking with the sixth form or college before attending. It is also important to check the documentation needed for enrolment - most colleges and sixth forms ask for proof of Identity/nationality and exam results. Contact details for enquiries are listed for each institution, along with links to any web pages with details of events and registration.
