

Platform is a stunning creative arts venue for young people. It is a place to learn new creative and life skills, spend time with friends and volunteer in a wide range of activities. Platform has a fully equipped theatre, performance space, a recording studio, dance studio, media suite and a café. Young people can also access a full range of support, advice and guidance in a safe environment.

Activities

Activities in dance, music production, theatre, photography, visual arts, catering and event production.

If you are looking for activities in any performance or creative art, Platform has a range of classes and workshops that will help you gain skills and experience and build up a portfolio of work.

Youth Achievement Award

Platform, in partnership with The Access to Sports Project are now offering the Duke of Edinburgh Award. You will complete four sections: volunteering, physical-sports, dance and fitness skills. This will also help you improve your social and practical skills and as a final challenge you will go on an expedition. This is good for your CV and your self development.
