- **Have had an opportunity to ask questions about ASD and share your experiences with other families**
- **Find out where you can access further support and information**

The workshops are for parents/carers of children under the age of 5 years. It is a drop-in, so you do not need to reserve a place. All the workshops are the same, so you only need to attend one of them. You may attend any one of the workshops listed above. It doesn't need to be at your local centre.

There is no crèche available. Please do not bring your child with you.

Please contact your speech and language therapist at your local clinic if you require any further information
