Type of Service Childcare - Non Domestic – Nursery within a school

Description

Age range: 3 to 4 years (Nursery)

Number of vacant places: 22

Date updated: 3 March 2016

Starting school or nursery is often a young child's first steps away from the family environment and we are very aware of the responsibility of our task. At Ferrars we are very fortunate to have a dedicated and talented team of staff and governors who are all committed to providing your child with rich learning experiences.

We have modern facilities which enhance the opportunities we offer the children and we offer a wide range of enrichment activities. Being a school that solely caters for children in their early years of education, we feel that we are particularly able to focus on the specific needs of these vitally important years.

At The Ferrars Academy, we aim to do the very best for your child. We work hard to provide the environment, help, resources, discipline and opportunities that will enable your child to fulfil both your hopes and their potential.
