for COMMUNITY
entertainment & experience.

Delivering creative, sporting and adventurous activities since 2007.
We love working with local communities - helping people of all ages to be healthier and happier. We help individuals, families and groups have fun, keep active, make friends, manage stress, and build confidence. Bring some fun and healthy activities to your community with Positive Activities.

Local Classes
Our classes are great fun for people of all ages, from the youngest to the oldest resident. Whether it’s Dance, Archery or Disc Golf that interests you take a look at our current classes on our website or get in touch to organise a class local to you.

Making your occasion special
Make special events even more memorable with one of our entertainment and activity packages for weddings, parties and birthdays. There’s a fantastic range of half day and full day options. We can even help with the venue, food and photography. Our fun and challenging activities are also great for summer fairs, xmas events and special community events.

Get involved
You’ll be impressed by the opportunities we provide for people to get involved as volunteers. There are roles for people with no experience and for people with specific qualifications. Improve your skills, have fun, make new friends and do something which looks great on a CV.

Fantastic choice for community
We offer a fully flexible programme of activities to choose from including:

• Archery
• Laser Clay Pigeon Shooting
• Golf
• Laser Biathlon Shooting
• Dance
• Zumba
• Yoga
• Disc Sports
• Survival Skills
• Adventurous Activities
• Environmental Activities
• Angling
• Creative Media
• Orienteering
• Wildlife Detectives
• Team Challenges

and many more!

Contact us:
We will design an activity package to meet your needs and support you with expert advice and guidance. We can come to you or you can visit us at one of our venues across North East Lincolnshire.
