for EDUCATION
learn new skills & get involved.

Delivering creative, sporting and adventurous activities since 2007.
Improving the physical and mental wellbeing of learners can result in improved attendance and attainment outcomes. We can help your learners flourish and achieve.

Schools, Colleges & Alternative Education Providers
We offer a fantastic range of activities for learning providers wanting to motivate, reward and develop the skills of learners of all ages through challenging and fun sporting and creative activities and programmes.

Our activities are a proven way of helping young people build relationship skills, set goals, problem solve and improve communication skills. We deliver activity packages that fit your curriculum needs. Many of our activities are suitable for after school clubs.

Reward Days & Celebration Events
Our sporting activities are great ways to reward your learners for attendance, achievement or positive behaviour. They are also great for induction days, proms, and summer fairs. They are fun and challenging.

Staff
Great for team building and staff reward days our activities are also perfect for groups of workers wanting to do something fun and different after work.

Contact us:
All activities can be designed to meet your needs and are supported with expert advice and guidance. We can work on your school site or you can come to one of our venues across North East Lincolnshire.
