What is The Local Offer?

The Local Offer: 'Individual Needs Help & Support' website, which covers birth to 25 Years is an online resource from Rochdale Council providing information on the support and services available to those with additional needs, their families and carers.

Who is The Local Offer for?

The Local offer aims to help everyone involved in caring for a child or young person with additional needs. This could be a family member, carer, friend, professional, teacher or anyone who gives any form of support or care.
