14-25 Progressions Team
The 14-25 Progressions Team staff work with Sheffield schools in matching students with alternative provision from within our Alternative Provision Network. The team are able to meet with learners, school staff and parent/carers to ensure that the learners are given information and guidance relating to the provision on offer and progression routes post-16.

The officers work closely with a variety of approved providers and multi-agency workers to support the young people, monitor attendance and achievements and help solve any day-to-day problems that may arise. The team also monitor contractual compliance and Quality Assurance of provision across the network.

What about travel?
Young people must travel independently to their placement or be supported by their school. Visits will take place before the courses start so you can find out where the training takes place, what it involves and how you are going to get there.

What about support?
School will nominate a member of staff who will work with the course tutors to make sure the young people are happy, safe and progressing well on the course.

Charging to Schools
Daily rates: Progressions Programme £50 per day
Direct Programme £45 per day
Personal Protection Equipment charges £0.50 per day

Registration, certification and exam fees where applicable will be invoiced to school. For further information on the AP programme please contact the 14-25 Progressions Team on 0114 229 6185 or email ECT@sheffield.gov.uk
Fax: 0114 229 6195.

**Bus Routes :**
Bus No. 82 or 62 from city centre
Supertram to Bamforth Street stop.
Courses Available:
Endeavour offer a 4 days per week alternative education provision focusing on literacy, numeracy, science / STEM, character building and life skills. Although each learner follows a time table it is more informal and personalised than in a school setting. Teaching takes place in small groups. Learners can expect to take part in a wide range of trips and activities.

Course Details:
Endeavour is registered as a GCSE exam centre; all learners have the opportunity to achieve a basic GCSE profile including Science, Maths, English, History and a range of Modern Foreign Languages. It is possible to sit other GCSEs through Endeavour by arrangement with school. All learners will work towards qualifications appropriate to their level and ability and will sit OCR Functional literacy and numeracy tests/exams at an appropriate level (Entry 1 up to Level 2). Learners can gain a portfolio of certificates demonstrating their skills and competencies through AQA Award Scheme. Learners will have the opportunity to work towards BTEC Sport & Active Leisure (Award or Certificate) at an appropriate level. Endeavour uses ASDAN challenges to guide some learning and reviewing.

What can learners expect to do?
Learners will attend Endeavour 4 days per week and will attend another provider of their choice 1 day per week to help broaden their experience. There is an element of literacy and numeracy every day. Learners will be involved with trips and activities of an outdoors and STEM nature. These could include Magna or the National Coal Mining Museum, group challenges such as raft building or individual challenges such as rock climbing and abseiling. Learning is hands on and active plus learners will reflect and review as part of sessions (experiential learning). There are regular breaks and groups are small. Learners can expect to set and review targets. Learners will work towards individual and group rewards. Endeavour does not have a long list of rules for learners but the underlying expectation for all is one of respect – respect for each other, learning, the building and yourself.
Families/carers can also expected to be involved (e.g. home contacts, visits, parents events etc.) as learning and success of the learner is a partnership between the learner, their home and Endeavour.

**Progression Routes:**
Learners who have attended Endeavour have progressed on to courses at Sheffield College (including Level 2 and Level 3 programmes), Longley Park 6th Form College or a training provider. As part of the programme at Endeavour all learners receive IAG, opportunities to visit post 16 options and support with applications and the transition process.

**Days & Times:**
0900 - 1430 Monday to Thursday. Breakfast club available from 8.30am 0900 – 1430 Friday at another provider arranged in partnership with the learner and the network of providers.

**What to Wear:**
Suitable clothing for active learning. What is considered acceptable will be covered as part of learner induction.

**Lunchtime Arrangements:**
There is no meals service at Endeavour, learners should bring a packed meal or can purchase food locally. Occasionally learners do operate a lunch club.

**Contact Details:**
Patrick Callingham
Endeavour Education Centre
600 Earl Marshall Road
Firvale
Sheffield, S4 8FB
0114 2438219

**Location:**
Endeavour is based in the old Grimesthorpe School Board School close to Firvale / Page Hall. Access to the centre and car park is around the corner from the end of Earl Marshall Road on Grimesthorpe Road.

**Bus Route:** Endeavour is located close to the Northern General Hospital. There are a wide variety of travel options from all parts of the city. These will be discussed with the learner as part of their induction.
EDUCATION THROUGH ANGLING

Courses Available:

AQA Unit Awards and ASDAN Environmental Award which include:
- Basic float fishing with a rod and line in freshwater
- Setting up basic whip fishing
- Recognising fishing tackle
- Introduction to still water fishing
- Mixing ground bait

What does the Course Cover?

- Using and setting up fishing equipment
- Catching, identifying, returning safely recording all species of fish
- Recording catch rates and fish populations
- Remove fish scales and measure fish
- Identifying other plants and animals
- Collect invertebrate samples for identification and use in water quality survey
- Fish biology

What Can Learners Expect To Do?

You will work in groups of no more than 8 in a fun, friendly and safe way. Support will be available to enable learners to complete all written and practical tasks.

Progression Routes: A course in Environmental Studies and fishery management at College or Apprenticeship programme subject to entry requirements.
**Days & Times:**
Tuesday, Wednesday & Thursdays 9.30am – 3.00pm.

**What to Wear:**
Casual clothes and sturdy footwear

**Lunchtime Arrangements:**
Learners can bring their own packed lunch

Flexible Programme: AQA Unit Awards

Direct Programme:
Level 1 IMIAL Certificate in Service & Maintenance Engineering (VRQ)
Level 1 IMIAL Diploma in Service & Maintenance Engineering (VRQ)
Level 1 IMIAL Award in Transport Maintenance (VRQ)
Level 1 IMIAL Certificate in Transport Maintenance Generic

Course Details:
Learners on the engineering qualifications will complete a project, alongside units in health and safety, job roles and science. These qualifications cover engineering and basic car maintenance.

The Transport course covers basic vehicle maintenance, engineering, using technical information. As well as developing PDS (personal development skills) such as road safety and how to apply for a driving licence.

What can learners expect to do?
Work in a garage environment with access to a range of vehicles to develop practical vehicle maintenance skills combined with classroom based theory.

Progression Routes:
The Award qualifications provide a stepping stone for learners who wish to enhance their knowledge and skills onto Level 1/2 qualifications. Routes to Apprenticeship Programmes (subject to entry requirements), transferrable skills gained can support progression to employment.

Heeley City Farm is a working farm in the middle of the city with a focus on education. We have ponies, cows, sheep, goats, pigs, ducks and chickens which young people will be responsible for during their placement. Farming and animal care practical skills will be developed while classroom sessions will re-enforce learning and contribute towards qualifications. Life skills towards independent living will also be worked on and students can expect to take part in farm maintenance, woodwork, team building, cookery and healthy eating sessions in addition to animal care.

Courses Available:
- Animal care (ABC award in Practical Countryside Skills)
  Entry Level - Level 2 Diploma
- Personal & Social Development (ABC Award)
  Entry Level 1-3

What does the course cover:
- Practical animal care & farming
- Feeding, mucking out, grooming, exercising and moving animals
- Farm maintenance
- Trips and visits to local farms
- Basic woodwork
- Interaction with the public
- Communication skills
- Embedded functional English, Maths & ICT
- PSD & life skills for independence
What can learners expect to do?

All students will get involved in the daily routine to care for the farms’ animals. The morning sessions will mostly involve feeding, moving, exercising and cleaning out animals; whilst the afternoon sessions will vary between classroom sessions, farm maintenance, woodwork, horticulture or animal care. At least once per term we will visit one of the farms’ other sites or networked farms or take a trip to the peak district or local attraction.

Progression Routes:

Tutors are all L2 trained in offering Information, Advice and Guidance to learners, offering personal tutorials to best support progression needs. Upon completing placements at HCF and gaining qualifications, learners have progressed onto further education, re-engaged with school, Apprenticeships, paid employment & voluntary opportunities with a variety of organisations and establishments.

Days & Times: Monday, Tuesday & Wednesday 9.00am – 3.30pm

What to Wear: Old clothes and sturdy footwear.

Lunchtime arrangements:

Learners can bring their own lunch or there is a café on site, other shops nearby where lunch can be purchased.

Practical Horticulture Skills

Heeley City Farm is a working farm in the middle of the city with a focus on education. We have a kitchen garden (which provides the farm café with produce), garden centre and poly-tunnels on our site as well as animals. We make our own compost and carry out a range of horticultural activities throughout the seasons. We also have other sites across the city, Wortley Walled garden, a commercial organic growing garden, Norfolk Park and Firth Park Community Allotments.

Practical horticulture skills will be developed alongside classroom sessions to re-enforce learning and contribute towards qualifications. Life skills towards independent living will also be worked upon and students can expect to take part in farm maintenance, some animal care, woodwork, team building, cookery and healthy eating sessions in addition to horticulture.

Courses Available:

- Horticulture (food growing and gardening)
- Site Maintenance
- Conservation
- Woodwork and Joinery
- Heritage
- Trips and visits
- Forging

What Does the Course Cover:

- Practical growing and selling
- Occasional fencing and paving projects
- Customer service in the garden centre developing communication skills
- Trips and visits to other growing sites and providers
- Embedded functional English, Maths and ICT
- PSD and life skills for independence
- ABC award in practical countryside skills

Alternative Provider
14 - 25 progression
What can learners expect to do?

All students will be responsible for maintaining a clean, safe and healthy environment around the farm. Working in the gardens, poly-tunnels and garden centre. At least once per term we will visit one of the farm's other sites or networked farms or take a trip to the peak district or local attraction.

Progression Routes:

Tutors are all L2 trained in offering Information, Advice and Guidance to learners, offering personal tutorials to best support progression needs. Horticulture

Courses Available:
At HPP (Heeley People’s Park) young people have the opportunity to expand their skills and gain experience and qualifications in horticulture through land-based activities. We encourage learners to express their creativity and explore a whole new world of opportunities. Learners develop essential industry skills, study specialist parks and have the chance to undertake exciting and challenging projects.

Course Details:

- ASDAN short courses in Personal and Social Development (optional)
- ASDAN short courses in Maths and English (optional)
- OCN Functional Skills in Maths, English and ICT (optional)
- ASDAN Wider Key Skills at Level 1 and 2

What can learners expect to do?
This course is delivered with a strong emphasis on practical activity. Our learners will undertake a mixture of practical sessions, demonstrations and class-based learning in order to:

- Develop the practical and technical skills that employers are looking for.
- Gain qualifications that will enable them to progress to college courses in horticulture, garden design or foundation learning.
- Gain valuable work experience opening up a range of career options in a variety of industry settings.

Progression Routes:
Our dedicated team contributes to the course content, ensuring our learners develop the skills necessary for a career in horticulture or to progress towards additional qualifications. Every young person is encouraged to work towards functional skills qualifications in Maths and English. We are hoping to soon offer apprenticeship positions to our most enthusiastic learners.
**Days & Times:**
Monday to Wednesday: 9:30am to 3:00pm, with 30 minutes for lunch.

**What to Wear:**
Old comfortable clothes to work in.

**Lunchtime Arrangements:**
Learners can bring a packed lunch or there is a wide range of local shops selling cold and hot food. Hot drinks are available on the premises. Free school meals are offered to all entitled learners.

**Bus Route:**
Buses: 75, 76, 87, 97, 98
Courses Available:
At Recycle Bikes learners get the opportunity to study cycle maintenance in a real-life workshop environment, fully supported by our professional mechanics and teaching staff. Students learn a combination of bicycle mechanics, functional skills and personal and social development whilst working towards qualifications that earn GCSE points.

Course Details:
Monday to Wednesday 9:15am to 3:15pm
- ASDAN short courses in Personal and Social Development (optional)
- ASDAN short courses in Maths and English (optional)
- OCN Functional Skills in Maths and English (optional)
- ASDAN Wider Key Skills at Level 1 and 2

What can learners expect to do?
Our maintenance class is designed to introduce our learners to looking after bikes and give them the skills to make roadside or trailside adjustments. The course is suitable for complete newcomers to bike maintenance and covers cleaning and lubrication, wheel removal and puncture repair, brakes, gear adjustment and chain removal and refitting. Over the course our students will learn how to fully strip down a bike, clean and reassemble it and by doing this they will gain new qualifications.

Progression Routes:
Most learners progress onto a college course and for our most enthusiastic students we offer a paid apprenticeship at ReCycle. With our learners enrolled in our re-engagement programme, we will develop skills such as punctuality and attendance, concentration and self-esteem and we will reflect on difficulties encountered at school (barriers to learning). An exit strategy will be set in conjunction with schools and learners wishes and needs.
**Days & Times:**
Monday to Wednesday 9:15am to 3:15pm with 45 minutes for lunch

**What to Wear:**
Old comfortable clothes to work in are ideal but aprons will be provided to learners who prefer following a smart casual dress code.

**Lunchtime Arrangements:**
Learners can bring a packed lunch or there is a wide range of local shops selling cold and hot food. Hot drinks are available on the premises. Free school meals are offered to all entitled learners.

Multi-media Skills

Courses Available:
- City and Guilds Level 1 Award in Employability Skills
- City and Guilds Level 1 Award in Employability Skills
- Students can also access certification through the AQA Unit Awards

Progression Programme:

Tuesdays:
Morning sessions, pupils will undertake a programme working towards a City and Guilds Level 1 Award in Employability Skills – Lifestyle. This covers making positive choices to maintain and improve pupil’s lifestyle. This will include looking at diet, exercise, lifestyle choices, personal safety and taking part in a health promotion challenge to encourage people to eat more healthy options. They will also be given the chance to access some practical work experience.

Thursdays:
Morning sessions, learners will undertake a programme working towards a City and Guilds Level 1 Award in Employability Skills – Enterprise. This includes understanding different types of business, then being involved in the research, planning, design, manufacture, promotion and selling of a product or service at a Sheffield Sharks British Basketball League game. They will have experience of working with professionals from the sports industry to help them contextualise their learning.

Afternoon Sessions (both days): Will take place at the English Institute of Sport Sheffield where learners will be involved in a range of sports participation activities including basketball, football, table tennis and others.

Progression Routes:
Learners will be given help and support with any college/post 16 applications. The programme involves contextualised activities and opportunities to work alongside employers and also gain practical work experience. Aiming to develop an understanding of how a developed skill set enhanced through the course, can apply in a real working setting. The opportunity to meet and work with people from the employment sector will also provide opportunities for
students to consider options/network which might be available to them e.g. apprenticeships etc. Learners could move onto further Level 1 or 2 programmes in college, particularly linked to areas of sport, business and health amongst others subject to entry requirements.

**Days and Times:**
Tuesday and Thursday: 9.30am - 3.00pm.
A breakfast club option is available on both programmes from 9.00am

**What to Wear:**
Students do not need to wear school uniform. As the afternoon sessions will involve sporting activities students are advised to wear clothing and importantly footwear that is appropriate for this.

**Lunchtime Arrangements:**
The Courtyard is a café situated in the downstairs area of the building which students can access at both break and lunch times. Any students wishing to go out at lunchtime will be given a permission slip. Once that is signed by their parent/carer, they will be allowed to go out for lunch. Lunchtime will be from approximately 12.15pm and will be for between 30 and 45 minutes.

Art and Media Skills

Courses Available:
Our programmes are designed around the individual needs and academic levels of each individual (5.5 hours per day 1 to 3 days a week, depending on the learner's circumstances). We have a strong track record of embedding English, Maths and ICT in all aspects of the curriculum we deliver.

In order to address social, moral, spiritual and cultural awareness, our programme is further enhanced by ongoing personal and social development workshops sourced from our partner organisations. This includes workshops on drugs awareness, sexual health, healthy relationships, anger management, LGBT issues, road safety and money management.

Course Details:
Learners will undertake learning activities in the following areas:-

- Art
- Design
- Multimedia skills
- IT skills
- Developing life skills
- Developing listening skills
- Building self-esteem and self confidence
- Team work
- Literacy and Numeracy

What can learners expect to do?
You will work in a small group with 1:1 support and have specialist support to gain ASDAN Personal and Social Development, OCN Functional Skills in English, Maths and ICT and Wider Key Skills at Level 1 or 2

Progression Routes:
We treat our learners as young adults within an environment that aims at replicating the workplace. HDT’s development of SUM Studios, Cycle
Mechanic Apprenticeships and Heeley People’s Park, HDT has strong links to the Media, Cycle, and “Green” industries and has a strong track record in supporting post 16 progression.

**Days & Times:**  
Monday to Wednesday 9:30am to 3:00pm

**What to Wear:**  
Smart casual, practical clothing

**Lunchtime Arrangements:**  
Learners can bring a packed lunch or there is a wide range of local shops selling cold and hot food. Hot drinks are available on the premises. Free school meals are offered to all entitled learners.

Ash Tree Yard  
62-68 Thirlwell Road  
Sheffield S8 9TF

**Bus Route:** (if you know these, please list public transport options below)  
Bus numbers 20, 20A, 24, 25, X17, 18 and 43 all run along Chesterfield Road or very nearby.

Turn off Chesterfield Road onto Thirlwell Road by Manhattan Motorcycles. Heeley Development Trust is at the top of Thirlwell Road on the right hand side. When in the courtyard follow the signs to HPP (Heeley People’s Park).
Courses Available:
We offer Level 1 Qualification in Sports Leadership and Level 2 Qualification in Sports Leadership. We can also offer ASDAN Awards in football and leadership. The qualifications are split up into theory and practical elements, both will need to be completed to gain the qualification. Learners will also need to deliver coaching sessions to the group (1 hour for level 1 and 10 hours for level 2). These will be fully supported by staff. As well as the sports element of the programme we work on supporting literacy and numeracy through different activities linked to sport.

Course Details:
Level 1 Sports Leadership
Sports Leaders UK
Age: 12 and over
Guided learning hours: 33 hours (including one hour demonstration of leadership) Qualification code: 500/9892/5

Level 2 Sports Leadership
Sports Leaders UK
Age: 13 and over
Guided learning hours: 39 hours (including 10 hours demonstration of leadership) Qualification code: 601/5264/3

What can learners expect to do?
Complete literacy and numeracy worksheets. Complete Sports Leaders work book by hand with supporting evidence produced on computers. Take part and lead practical session, these will be supported by staff. There is also opportunity for learners to volunteer to work on the Community Programme soccer schools during school holidays.
**Progression Routes:**
Learners can progress on to our post 16 sports courses. We offer BTEC level 1, NCFE level 2 and BTEC level 3. Students can progress onto the suitable level of course.

**Days and Times:**
Tuesday, Wednesday, Thursday & Friday: 9:00am – 2:30pm.

**What to Wear:**
Students can wear comfortable clothing appropriate to a professional setting. The practical sessions are outside so suitable clothing for all weathers is needed. Football boots are not needed, trainers/astroturf trainers are recommended. Students can bring a change of clothing if wanted.

**Lunchtime Arrangements:**
Students are free to leave the premises at lunch. Free school meal vouchers are provided to students who qualify. We provide indoor space for students to have lunch and will offer fully supervised lunch if required.

Functional Skills & Personal Development

Our subject specialism is the delivery of Functional Skills in English, Maths & ICT, we also deliver ASDAN Short Courses (Citizenship, PHSE, PSD) which are multi-level, the focus is on completing challenges and skills development according to individual ability, rather than attainment at a specific level. They are nationally approved qualifications based around the development of personal, social and employability skills, which is particularly relevant for post 16 progressions.

Course Details:

- NOCN Functional Skills in Mathematics – Entry Levels 1, 2 & 3 to Level 1
- NOCN Functional Skills in English – Entry Levels 1, 2 & 3 to Level 1
- ASDAN Award – Citizenship
- ASDAN Award – PHSE (Personal health and social development)
- Special Interest projects

What can learners expect to do?
Students will work in small groups with 1:1 support where required. They will build a portfolio of work for accreditation. They will be registered and sit their functional skills exams in Term 3.

Students will study a varied timetable to help them re-engage and enjoy learning, with a focus on developing functional skills in Math and English.

Days & Times:

5 days per week; 9.30am – 3.00pm
Learners can attend between 1 and 4 days per week

What to Wear:
Casual dress
**Lunchtime arrangements**
Students may bring a packed lunch or use local shops and takeaways.

New Arrivals

New Arrivals Course:
The New Arrivals programme is for young people who have recently moved to the country and whose first language is not English. We work with total beginners and others who may be a bit more advanced with their English.

We help students develop Speaking, Writing, Listening and Reading skills. The topics and tasks covered are relevant to learners and are related to everyday work, study, community and social situations.

To provide a wider curriculum choice for students attending more than one day per week, we deliver Key Steps awards in Personal & Social Development, Citizenship and personal special interest projects.

Course Details:

ASDAN – Milestones in Maths in everyday life
ASDAN – English Language
ASDAN – Key Steps Awards PSD & Citizenship
NOCN Functional Skills in Mathematics – Entry 1, 2 & 3 to Level 1
NOCN Functional Skills in English – Entry 1, 2 & 3 to Level 1

What can learners expect to do?

Students will work in small groups with 1:1 support where required. They will build a portfolio of work for accreditation.

Students working at Functional Skills level, will be registered and sit examinations in term 3

Students will study a varied timetable to help them re-engage and enjoy learning, with a focus on developing their skills numeracy and literacy.

**Bus Route:**

YASY is based in a prominent position within the city centre on Carver Street. Our premises are easily accessible from all areas of the city by a single tram or bus journey. Bus and tram stops are located within a few minutes walk of our premises.
YASY MAMS – Bump to Baby
Alternative Provision for Y10 & Y11 Pregnant Girls

YASY is an experienced provider of alternative education for young people; we provide a high level of pastoral care and work with other agencies to meet the wider needs of learners that are placed with us. We deliver a range of programmes specifically designed to provide support and opportunities for pregnant girls and teen mums to make positive changes in their lives.

We have developed a new programme to address the educational and pastoral needs of Y10 & Y11 pregnant girls. Teenagers who become pregnant are more likely to drop out of school losing key phases of their education, leading to low educational attainment, unemployment or low paid employment. Thus reducing their ability to be financially independent, locking them into a cycle of benefits dependency, unemployment and poverty. Children born to teenage mothers have a 63% higher risk of living in poverty. Young mothers have a 30% higher risk of mental illness. This affects their wellbeing and their ability to form a secure attachment with their baby, recognised as a key foundation stone for positive child outcomes. With early intervention the risks of poor outcomes are reduced.

Course Details:

Parenting, Childcare & Personal and Social Development
Learners can achieve a range of qualifications including:-

- ASDAN Accredited PSHE – Including Childcare
- ASDAN Accredited PSD - Including Parenting Awareness
- NOCN Functional Skills in Maths & English
- Baby First Aid Certificate
**What can learners expect to do?**
They will work in a small group with 1:1 support to develop a portfolio of work for accreditation. The work is presented in the form of personal challenges and encourages students to develop their personal skills and take responsibility for their own learning. NOCN Functional Skills in English and Maths is delivered according to their assessed levels.

They will learn the stages of pregnancy, health & nutrition, have visits from health professionals and support agencies, as well as visit the Labour ward. The programme also includes practical planning for baby’s arrival, including accommodation, baby equipment, support structures, budgeting and financial assistance. By engaging girls at this stage we can help maintain an interest in lifelong learning and improve long term outcomes for their children.

**Days & Times:**
3 days per week; Monday, Tuesday & Wednesday 10.00 – 3.00pm
An individual learning plan will be agreed for each student

**What to Wear:**
Casual dress

**Lunchtime Arrangements:**
Students may bring a packed lunch, or use local shops and takeaways.
