

## Input form for Local Authority to complete

<b>Local authority</b>	<b>Southampton</b>	Date of last update	
Local authority's special provision fund allocation	£2,080,283	Total planned expenditure on projects: special provision fund	£2,066,919
Other investment the local authority plans to make in SEND capital up until 2021		Total planned expenditure on projects: other funding up until 2021	£110,000

The local authority is required to consult parents and carers to receive their allocation. Local authorities should use the box to the right to confirm that they have consulted with parents and carers about their plan and projects and complete the 'Consultation form' below.

Confirm either that the LA has or will be consulting parents and carers

## Project information form

Provision					Investment in additional places (£)		Number of additional places			Investment in facilities (£)		Total (£)	Additional Information about each project	
Provision URN	Provision name and address	Provision category	Ofsted Judgement	Age range for project	Special provision fund investment in additional places	Other investment in additional places	Special provision fund additional planned places	Other investment additional planned places	Total additional planned places	Special provision fund investment in facilities	Other investment in facilities	Total investment in project	Type of SEN or disability that project is designed to meet.	LAs should use this section of the table to set out more details about the aims of the project. Beyond this further information can be listed in their strategic plan or directly on their local offer page.
80325200	<b>Bitterne Park School Autism Resource Base, (ARB)</b>	Special unit or resourced provision	Good	Secondary	£1,158,919	£110,000	48		48			£1,268,919	Special Unit. Secondary age children with high functioning autism needs, (ASC). Provision of this facility will build capacity within the City of Southampton and avoid Out of City placements	The proposals include for the full refurbishment of an independent building on site at Bitterne Park School. The facility will provide support to children with high functioning autistic needs. The facility will be managed by Bitterne Park Secondary School in partnership with Great Oaks School. The proposals have been through statutory consultation and consultation with parents and carers. The facility has opened in September 2018. This is an increase from the original 36 pupil capacity initially planned.
144205	<b>Great Oaks</b>	Special unit or resourced provision	Not yet inspected	Secondary and post-16	£423,000		45		45			£423,000	Complex needs including ASC, MLD and SLD.	This will be two modulars - 1 on Great Oaks site to support increasing need for secondary placements for pupils with complex needs. The other will be a discreet provision aimed at supporting pupils with these primary needs but whom present with behaviours that challenge and for those young people who find it difficult to cope with a more traditional learning environment. Curriculum offer will be bespoke and reduce demand on out of city placements.
116620	<b>Springwell</b>	Special unit or resourced provision	Outstanding	Primary	£250,000		24		24			£250,000	Resourced Provision for pupils with autism and associated needs (including challenging behaviour) in Primary Schools. The funding will provide 16 places in year Reception with outer play area.	Southampton City Council have limited provision for primary age children with autism and associated needs including challenging behaviour. The specific proposals for a specialist resource unit to provide support for primary children are currently being defined and will be subject to detailed consultation with parent carers and all stakeholders prior to securing commitment from the Council. The figures provided are budget figures
144205	<b>Great Oaks</b>	Special unit or resourced provision	Not yet inspected	Post-16	£35,000		35		35			£35,000	To provide additional support to post 16 at Down to Earth Farm. This funding will provide the academy to enhance their post 16 provision with outdoor activities and curriculum.	This funding will be used to create a more accessible environment at Down to Earth Farm which is currently occupied by Great Oaks school specifically for the provision of post 1 education. The introduction of accessible toilets and improvements to the environment will support the academy to meet the needs of pupils with a wider range of needs, including physical disabilities.
	<b>Primary Hearing Impaired Unit - to be confirmed.</b>	Alternative provision/PRU		Primary	£200,000		12		12			£200,000	To deliver alternative provision for hearing impairment/visual impairment	This funding will provide capital investment to develop a new primary aged hearing impaired unit as a good or outstanding school. This will enable pupils with hearing impairment, where the LA agree that placement is suitable, bespoke space where their needs can be appropriate environment whilst enabling integration in a mainstream environment.

## Consultation form

**Consultation for all projects:** list the groups that the local authority has consulted with and the date of the conversation. Local authorities are required to consult with parents and carers and should consult with other groups about how they plan to use their funding and set out information in the box below before they will receive their allocation.

Group	Date and method of discussion i.e. meeting or online consultation	Topic(s) of discussion	Outcome including any changes as a result of the consultation
Parents Carers Forum	2016 - 2019 Engagement events	All SEND mainstream and special school provisions for all age ranges	Autism Resource Base established through engagement and statutory consultation. Proposals for the ARB have internal capital support. The facility will open in September 2018. The proposals will ensure southampton children will receive support within the City providing a facility where children are educated in their local community.
Independent Strategic SEND Review	2017 - 2019 In depth review of SCC SEND provision including all age ranges and needs.	In depth independent review of Southampton SEND provision. The review was carried out in conjunction with all relevant stakeholders including parent carers, schools and professionals. The review has established there are gaps in provision linked to specific age ranges and need types for children with Education, Health and Care Plans and the council are currently implementing recommendations from this review, which includes wide engagement from a range of stakeholders.	The independent review has identified a number of areas where Southampton City Council need to focus resources. There is currently limited provision for primary age children with autism and associated needs including challenging behaviour. There is currently limited specialist provision for children with significant visual impairment. There is a requirement to provide improved support and provision for primary age pupils with social, emotional and mental health needs and further provision for girls of all ages with Social, Emotional and Mental Health needs.
School Forum High Needs Block (Working Group)	December 2017 - January 2018 Presentation Discussion and meeti	School forum have established a High Needs Block working group. The high needs block working group have been engaged as part of the independent review into SEND provision within the City.	High Needs Block Working Group endorsed draft report and provided additional comments
