ECaT Top Tips for Talking
August 2016

Be Careful with questions

Try not to ask too many questions

Especially ones that sound like you’re constantly testing them!

The best questions are those that make children think rather than give an instant answer, like ‘yes’ or ‘no’.

Good questions start with ‘why?’, ‘how?’ and ‘what if...?’

Nursery Rhyme of the month:
Twinkle Twinkle Little Star
do all your children know this Nursery Rhyme?
