Is your toddler not yet putting two words together?

If so, you may be able to take part in a research project which aims to help children develop their language through group learning sessions for parents.

The study offers 10 group sessions delivered over six months.

You may be able to take part if:

• you have a child aged 21 to 34 months old
• you are English speaking
• you live in Portsmouth or Southampton
• you child is not yet putting two words together or has a vocabulary of less than 40 words

For more information, please contact Dr Deborah Gibbard on 0300 123 6628 or email ParentTalk@solent.nhs.uk
