

Parents in Partnership Stockport

All together better and stronger.

Volunteer

and make a difference

We are Stockport's Parent Carer Forum looking for parent / carers of children and young people aged 0-25 with Special Educational Needs and Disabilities (SEND) and/or additional needs living in Stockport to volunteer with our team of Parent Carer Representatives.

If you can spare time, whether it be hourly, weekly, monthly, bi-monthly or however much you can do then please get in touch with us.

Our dedicated team of parent carer volunteers help to shape the future of SEND by working in co-production with the local authority, education, health and social care and other providers to ensure the collective voice of parents and carers of children and young people in Stockport.
