**Tax Free Childcare**

Throughout this year, Tax-Free Childcare, a new UK-wide scheme will become available to around 2 million households. Designed to help working parents with their childcare costs, the scheme allows parents to open an online bank account to pay registered childcare providers directly. For every £8 parents pay into these accounts, the government will add £2. The money can then be spent on childcare. Parents can receive up to £2,000 in government support per child, per year, or £4,000 for disabled children. For more information visit [www.stockton.gov.uk/freechildcare](http://www.stockton.gov.uk/freechildcare)
