

YOU SAID	WE DID
Can you put information on the Local Offer around SEND and learning to drive?	There is now information on SEND and learning to drive within the following categories: Transport, Information, Advice and Support and Young People's Hub
Can you individually list all the specialist provisions that are within the Health category?	Information on specialist health provision such as Occupational Therapy, Physiotherapy now have their own drop down area within the Health category
Can we have a FAQ section?	There is a FAQ section within Information/Advice and Support
Can we have a Young People's Hub section?	There is now a Young People's Hub section within the For all Young People main category.
Can we have an area that gives information on SEND, who to talk to about SEND etc?	Within each of the main categories there is a section called an Introduction to SEND that has all the information requested
Where can I find the compliments and complaints area?	Compliments, complaints, suggestions, ideas and feedback can all be logged within the Contact & Feedback tab at the top of the directory
Where can employers find information about working with young people with SEND ?	Within Information, Advice and Support there are various drop down menus that provide up-to-date and relevant information for employers and employees
Can we have a section on school exclusions and exam adjustments?	Within the Education area of each main category there are now drop down menus dedicated to school exclusions, reasonable adjustments and exam and test arrangements.
Can we have a rolling banner with information of events and pictures to make the Local Offer more child friendly?	There is now a carousel on the main homepage of the Local Offer that displays student's work, events, special events and instant news and information.
