National recognition for our Parent Champions

Wandsworth's Parent Champions received national recognition this March when they were presented with an award for their Outstanding Contribution to the National Network run by the Family & Childcare Trust (F&CT).

Speaking about their nomination, F&CT programme manager Emma Ackerman said: "The Wandsworth programme has gone from strength to strength, proving that there is almost nothing that their Parent Champions cannot do.....they have far reaching links ranging from local children centres and schools, to the police and the local chamber of commerce. This programme has inspired many others that are now setting up across the country with similar aims and we are proud to be working with them"

Huge thanks to everyone who has helped make this project a success, especially the current Parent Champions: Nusrat Mirza, Dorota Flaszynska, Sandra Richards, Issop Koheeeallee, Precious Elaiho, Sophia Topey, Everal Dowdie (pictured below) and also Mary Cheong, Charlene Ellis, Angelika Mordel and Julie Webster
