

## WHERE CAN I USE MY WAND/WAND+ CARD?

Dear DCR member, WAND or WAND+ card holder. Here are our current listings of where you can use your WAND or WAND+ card in Wandsworth. This information was correct as of October 2019. It may be subject to change as more venues join the WAND/WAND+ scheme (or if existing supporters need to revise their guidelines from time to time), so always check our web pages "[WAND and WAND+ Card Offers](#)" for latest news.

Further details of venues, locations can be seen on the Local Offer website [www.wandsworth.gov.uk/localoffer](http://www.wandsworth.gov.uk/localoffer) or by contacting the services direct.

### Elsewhere....

- Don't just limit using the WAND/WAND+ card to the above locations! Try using the card as form of I.D, wherever you are. It could help save the need for lengthy explanations, for example, on public transport, out shopping or visiting other venues not listed above.
- Facilities elsewhere in and around London and further afield may accept the card as proof of eligibility for their concessions – just ask. However, awareness raising is an ongoing matter and with new staff at venues, please exercise patience and perhaps request to speak to someone in charge if there is a query about its use.
- Please help spread the word by giving out the concertina leaflets in your card holder when visiting other venues to help raise awareness.

We hope you enjoy using the WAND/WAND+ card and would like to hear any suggestions for other venues. Local providers have volunteered to be part of this initiative so please be flexible and let us know if you experience any challenges in using your card – or if you come across examples of exceptional service.
